MINDFULLY MADE

Gasser has been manufacturing chairs in Youngstown, OH since 1946. We manufacture high-quality chairs while embracing our core values of being respectful, accountable, process-driven, and adaptable. It's a commitment to the things we believe in most...our people and your chair.

SIT DOWN – STAND OUT

WHAT'S INSIDE MATTERS

Gasser invests the time and resources necessary to make chairs of the highest quality. This commitment requires using premium internal components and a quality assurance program in every step of the process. Add to that industry-leading customer service and it's clear how we maintain long-lasting partnerships.
